Nordica

2 1 94m²

The Nordica 2-bedroom granny flat is thoughtfully designed for modern living, featuring a seamless open-plan layout that integrates the living, dining, and kitchen areas for easy flow and functionality. With a spacious bedroom and bathroom, along with a dedicated laundry and storage room, it combines practicality with style. Its high cathedral ceilings and large windows enhance the sense of space and light, making the Nordica both a stylish and highly functional addition to any backyard.

80 External and internal LGL wall thickness (mm) shown in this drawing

External wall construction: 80mm LGL glulam mass timber walls plus ~120mm insulation and cladding if required

Floor plan can be flipped, must be specified on order

Customizable placement of windows marked red on the floor plan
